1. **GENERAL.** The terms and conditions of sale contained herein apply to all quotations made and all purchase orders received by Seller, and acceptance by Seller of any order by confirmation or commencement of performance shall be on the basis of these Terms and Conditions of Sale, even though no reference is made thereto at the time of acceptance. Seller's failure to object to provisions contained in any communication from the undersigned Buyer shall not be deemed a waiver of these Terms and Conditions of Sale. Buyer's assent to these Terms and Conditions of Sale shall be deemed to be given by implication unless Buyer gives written notice of objection to Seller promptly, upon receipt of this document. Any changes in the Terms and Conditions of Sale contained herein must specifically be agreed to in writing by an officer of Seller before becoming binding on Seller. These Terms and Conditions shall include additional terms, if any, contained in Appendix A, which is attached hereto and incorporated herein by this reference, if any.

2. **ACCEPTANCE OF ORDERS.** All orders from Buyer are subject to acceptance by Seller, and Seller reserves the right to accept or reject any orders in whole or in part.

3. **PRICES.** Prices quoted or acknowledged by Seller are firm to the quantities and the shipping schedules set forth in the quotation or order acknowledgment, but are subject to revision if quantities and/or shipping schedules are changed by Buyer.

If, in the judgment of Seller, the financial condition of Buyer at any time does not justify continuation of production or shipment on the terms of payment originally specified, Seller may require full or partial payment in advance. In the event of bankruptcy or insolvency by Buyer or in the event any proceeding is brought by or against Buyer under the bankruptcy or insolvency laws, Seller shall be entitled to cancel any order then outstanding and shall receive reimbursement for its cancellation charges.
